PRISON MINISTRY UPDATE FROM REV. BILL

Since August 2009, Madison UMC has given out over 300 Bibles to the residents of Madison County Detention Center and more are needed. I am currently out of stock. Bibles must be new and paperback in order to be brought into MCDC. Also, I have sent many other Christian books and popular fiction books to the residents in order to keep them focused and to pass the time. If you would like to contribute funds for purchase of Bible or books, please designate a check to Madison UMC, Prison Ministry. (Note: used books cannot be brought into MCDC. All books other than Bibles must be new paperback books and sent through the publisher directly to the resident or via Amazon. Bibles may be purchased in bulk from a publisher such as American Bible Society and brought to Rev. Bill's office.)

*Please join us in celebrating the
ministry of
Reverend Kelly E. Pope

to wish him a joyful retirement

KATRINA COAST MISSIONS

Construction on Sylvia Flemming's home has begun. Over two years after making the promise to help Sylvia and her children get back into her home, we have finally broken ground and the structure is going up fast. A crew from California came in to do the framing and other volunteer groups have closed the structure and set windows and exterior doors. At this time we are waiting for final bids for the electrical and HVAC. If anyone is interested in helping with the installation of the heat and air system please contact the church office. Once the electrical and HVAC is roughed-in we will be able to hang and finish sheetrock. A notice will be posted in the "Messenger" and Sunday bulletin with reminders from the pulpit when this work is ready to go. Thank you to this congregation for your generous giving of time, money, material and supplies, and prayer support of this on-going rebuilding of our Gulf Coast. For more information contact Tim Ross at 601-856-7743.

Left: The lot on which the home is being built is very narrow but plans for a very nice home were designed and approved and construction has begun.

THANK YOU

Thanks so much to each one who helped to make the National Day of Prayer a great success. We appreciate all those who helped with the prayer service and with the luncheon; also a great big thank you to our church staff for their help. We are especially thankful for all who took time to pray through out the day, and for those who attended the service. Stacey Pickering, our guest speaker, had a great message for us on the importance of prayer for our nation and our leaders. I know that our nation will benefit and be blessed by the prayers of God's faithful people.

Thanks,

Nancy Quinn
