SUNDAY SCHOOL HELP NEEDED

The Student Ministry is looking for 6 adults that are willing to invest in the lives of 7th-12th grade students on Sunday mornings during the Sunday School hour for the 2016/17 school year. Sunday school is an important time of growth and discipleship. We are in need of adult teachers to lead our students closer and deeper in their relationship with Christ on Sunday mornings. If you are interested, contact Cory.

Students helped serve families in need (and had a little fun!) at MadCAAP by sorting donations of food and clothing as well as helping to distribute items to local families.
