

2018 Connection Ministry Interest Survey

(You can also conveniently submit online – www.madisonumc.org/connection2018)

Many of us did not grow up in Madison United Methodist Church. At one time, we were new to this family of believers. We needed someone to acknowledge us, welcome us, and help us become **CONNECTED** to Christ and this family of faith so we could grow as disciples and make our unique contribution to the growth of others in their faith journeys. We have the opportunity to welcome others as we have received the welcome of this faith family. While the most important way to help others be connected to Madison UMC is in the intentional yet informal ways we reach out to others, there are essential roles in the life of MUMC that we need servants to commit to in order to strengthen our ability in Christ to connect others.

Please prayerfully consider serving in one or more of the following areas of Connection Ministry, then FILL OUT THIS FORM (Front & Back) to let our staff and lay leadership know of your specific areas of interest. We will contact you no later than December 2017.
